

Fleur Hughes

Business Development & Marketing Manager

07973 974698

fleur.hughes@bidwells.co.uk

Aligning herself to the business strategy, Fleur creates and generates leads and opportunities with a warm, personable approach.

Once described as having 'dogged determination and an infectious enthusiasm', Fleur works hard to motivate her team and colleagues, giving them the confidence to go out and win work as well as getting involved herself.

With one eye on the business objectives, Fleur focuses her efforts and energy into targeting and pitching for work within our focused areas within the golden triangle, specifically science and technology.

As well as enjoying the high-level thinking and aiming big, she likes the detail and takes the time to think things through.

As well as being creative at home with her craft making and love of gardening, Fleur likes to be innovative wherever she can at work and keeps people on their toes.

Moving up from Dorset in 2016 and establishing herself in a new market, she knows what it takes to bring her colleagues on that journey.

The biggest buzz she gets it when things 'click' and we start to see results.
