**As our Director of Compliance, Nicola's role is about making it easy for everyone to do the right thing when it comes to best practice and risk management.**

An experienced compliance professional, Nicola plays an active role in the implementation and ongoing review of Bidwells' risk management and compliance procedures. She also provides regulatory advice on a variety of matters including anti-money laundering.

Ensuring we are compliant with fast-changing industry regulations is more important than ever and Nicola has the knowhow to help us strengthen our best practice.

Nicola's role entails stepping back and thinking about the bigger picture along with bringing an independent point of view and providing support and guidance when needed.

Nicola is also a Chartered Accountant and has previously worked within a variety of sectors including professional services and law– Nicola has the right expertise to help us look after our clients properly.
