As Team Administrator, Donna supports our bustling team of Commercial Building Surveyors.

Having supported our Cambridge-based team for over 10-years, Donna strives to develop the team's efficiency and heighten their skillsets.

From helping Junior Surveyors throughout the process of securing their APC, to managing finances, invoices and handling client instructions, she has the diligence needed to ensure the team runs smoothly.

Described as personable and bubbly by her team, Donna brings a high level of enthusiasm into her role. She enjoys the variety of tasks she undertakes day-to-day and particularly the collaborative and multi-faceted nature of our Building Surveyors' work.

Donna also leads Bidwells' Professional Assistant Network (BPAN) group, bringing all administrative support together bi-monthly for informative and interesting meetings.

She holds a Level 2 National Vocational Qualification in Business Administration.
