WRENBRIDGE

# IN THE ZONE

Gateway Cambridge is an exciting new development set across five acres in North West Cambridge.

Ideal for manufacturing, logistics and trade counter opportunities and adjacent to the A14/M11 Junction, Gateway Cambridge benefits from excellent and easy access to road, motorway and public transport networks.

With a significant local workforce and nearby amenities, including Costa Coffee and Tesco Extra, the development is high quality, highly sustainable and designed to promote productivity and wellbeing.

#### HIGHLY EFFICIENT

- Internal and external high efficiency LED lighting, with office motion detection and daylight saving controls
- High efficiency office heating and cooling systems with heat recovery ventilation
- 15% roof lights providing more natural light

#### RENEWABLE

- Approximately 50% Photovoltaic coverage with provision for additional capacity
- 10% electric charging points
- 90% passive electric charging points
- Planet Mark accreditation
- Discount off-grid power available from the landlord

#### WASTE MANAGEMENT

- Water saving taps and dual flush WCs
- Highly insulated buildings mitigate air leakage

#### ACCESSIBLE

- Bike shelters and showers encourage cycling to work
- Excellent public transport links for sustainable access
- Energy efficient lift (Building 3 only)
- Shower and locker facilities

# THE GATEWAY TO SUCCESS

## Built with sustainability and longevity in mind.

Carefully considered for energy and water consumption, waste management and carbon reduction, the high-specification units at Gateway Cambridge are designed to optimise efficiencies and enable lower running costs, whilst protecting the natural environment.

With the ability to increase the capacity of Photovoltaic arrays and electric car charging bays, the units have been developed with advanced features that can be adapted to suit changing business and market needs.

**An environmentally sustainable design for modern occupiers.**

## ON TIME DELIVERY

Perfect last mile delivery location with  
708,059 unique addresses within a 30 minute drive

Following a recent £1.5billion investment to upgrade the A14, occupiers can now benefit from excellent road connections, saving time and money when moving goods to major cities across the Midlands and South East.

The A1 motorway and Stansted Airport each lie within a 60-minute HGV drive time, whilst the A14 also offers easy access to Felixstowe and DP World London Gateway sea ports, which can be reached in less than a 120-minute HGV drive time.

Gateway Cambridge is positioned at the tip of the Oxford-Cambridge Arc - a well-connected and strategically important area which is home to 3.7 million people and some of the UK's most productive and innovative towns and cities.

Only 8 miles away, Cambridge has a renowned reputation for research, science, technology and innovation, and with a population of 69,100 economically active people<sup>1</sup>, occupiers will have access to a strong, relevant and skilled labour pool.

Local plans for Cambridge and South Cambridgeshire propose 33,500 new homes by 2031<sup>2</sup>, meaning the potential labour supply will continue to grow in the coming years.

# TIME FOR CHANGE

The Planet Mark is a sustainability certification which recognises continuous improvements, encourages action and builds an empowered community of like-minded individuals. Organisations across the UK and beyond are choosing The Planet Mark to accelerate their commitments and actions to contribute more to society and the environment.

The Planet Mark mission is to enable organisations and their people to positively transform society, the environment and the economy. Property and construction are responsible for 39% of global carbon emissions, with operational emissions alone (from energy used to heat, cool and light buildings) accounting for up to 28%, so the sector is a significant focus for the certification.

Legal and General and Wrenbridge have committed to achieve The Planet Mark New Development Certification for Gateway Cambridge at Bar Hill as they recognise the responsibility of property developers, and the built environment community as a whole, to not only provide future-proofed low carbon and energy efficient buildings, they can also create them in a way that adds value to society. The Planet Mark believe that sustainable buildings go beyond compliance; they make society better, add value to the local community and contribute to economic prosperity.

# TIME WELL SPENT

## An environment that prioritises staff health and wellbeing, with a range of lifestyle amenities on the doorstep

A good public transport network including frequent bus services means local employees can enjoy seamless travel to Gateway Cambridge, whilst landscaped cycle and walking paths, on-site cycle parking and shower facilities promote an active daily commute. Enhanced and easy access means less time on the road, which also promotes a better work/life balance and a more environmentally friendly journey.

## Amenities on your doorstep
