

REFRESHINGLY DIFFERENT

Cubix is a refreshingly different flexible office space with 3 current locations, Finchley, Luton and Milton Keynes. They are all situated with amazing transport links by road and train. Instead of the tired and dull atmosphere often associated with traditional serviced offices, Cubix has designed its work environment with you in mind.

We provide state-of-the-art facilities coupled with a vibrantly designed space, to allow our Cubix members to get the most out of their working day.

Frustrated by the 'hidden costs' that some providers charge? Cubix is transparent when it comes to what is included in your package, so you need not worry about unexpected bills.

So, if you are looking for a satellite office, let Cubix accommodate you.
